

MISD

General Information

The Mount Isa School of Dance was founded in September 1996 by a group of enthusiastic parents who decided to administer the ballet school so their children could continue to enjoy the art of dancing.

MISD offer Royal Academy of Dance Classical Ballet training to the very highest standard. We also offer CSTD Syllabus Jazz, Tap and Theatrical examinations. To complement our syllabus classes, we offer Funk, Contemporary and AcroDance classes.

THE COMMITTEE

The MISD Committee holds meetings on the second Sunday of every month at 10am in the AWU Hall foyer. All parents are welcome to attend. We cover a large range of interesting topics in relation to dance, as well as discuss and make decisions with regards to the running of our dance school.

As we are a non-profit organisation run by a group of volunteer parents, the school's existence relies on continual parent involvement. If you have any questions, please do not hesitate to contact one of the committee members.
